This letter is not valid for project certification.

The AWI Quality Certification Program (QCP) is a valuable quality assurance tool that ensures custom, interior architectural woodwork, one of the most highly visible aspects of many construction projects. It is endorsed by the General Services Administration (GSA) and the American Subcontractors Association (ASA).

Certification credentials are earned by woodworking firms who, through comprehensive testing and inspection, demonstrate the ability to fabricate, finish and/or install work in accordance with the quality grade criteria set forth in the Quality Standards Illustrated (QSI).

Legend of QSI Sections

300	Standing and Running Trim	1000	Windows
400A	Architectural Cabinets, Wood	1100	Screens
400B	Architectural Cabinets, Plastic Laminate	1200	Blinds and Shutters
400C	Counter Tops	1300	Architectural Flush Doors
500	Paneling	1400	Stile and Rail Doors
600	Closet and Utility Shelving	1500	Factory Finishing
700	Ornamental Work	1600	Modular Cabinets
800	Stairwork and Rails	1700	Installation of Woodwork
900	Door Frames	P	Premium
		C	Custom

QCP Mission: Verify, inspect report and enforce architectural woodwork standards compliance.

The QCP Is administered by the AWI Quality Certification Corporation (AWI QCC)
